

# Adding shipping to a product

Learn how to efficiently input product details and pricing into the Hatch and Hive frontend manager. This guide provides a quick walkthrough to ensure your product listings are set up correctly with the right postage options.

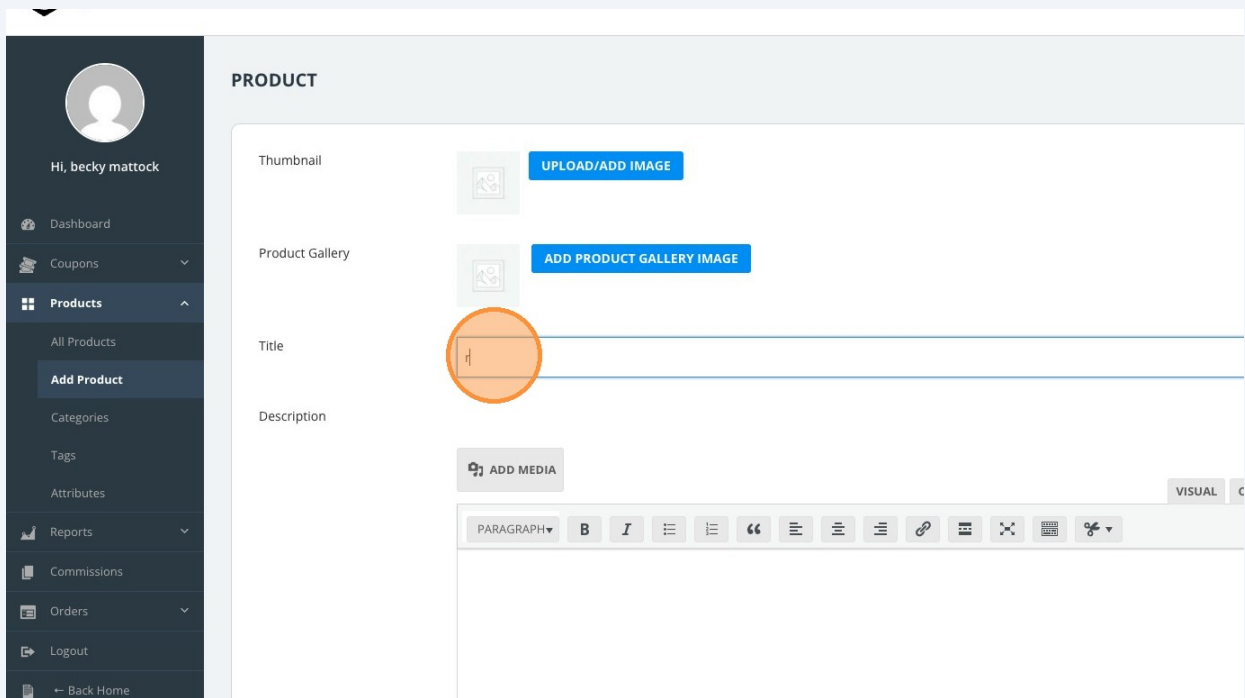

1 Navigate to <https://hatchandhive.co.uk/frontend-manager/products/product/>

2 Click the "Title" field.

3 Click the "Title" field.

4 Click here.

**6** Click the "Regular price (£)" field.

The screenshot shows a product configuration interface. On the left is a dark vertical sidebar. The main area has a top section with a large empty box and a 'P' label. Below this is a 'General' tab selected in a sidebar menu. The 'General' tab contains a dropdown menu set to 'Simple product', and two checkboxes: 'Virtual' and 'Downloadable'. Below these are three input fields: 'Regular price (£)', 'Sale price (£)', and 'Schedule'. The 'Regular price (£)' field is highlighted with an orange circle. At the bottom, there is a 'Status' dropdown set to 'Published' and a 'Product categories' section with checkboxes for 'Uncategorized', 'Auctions', and 'Downloadable'.

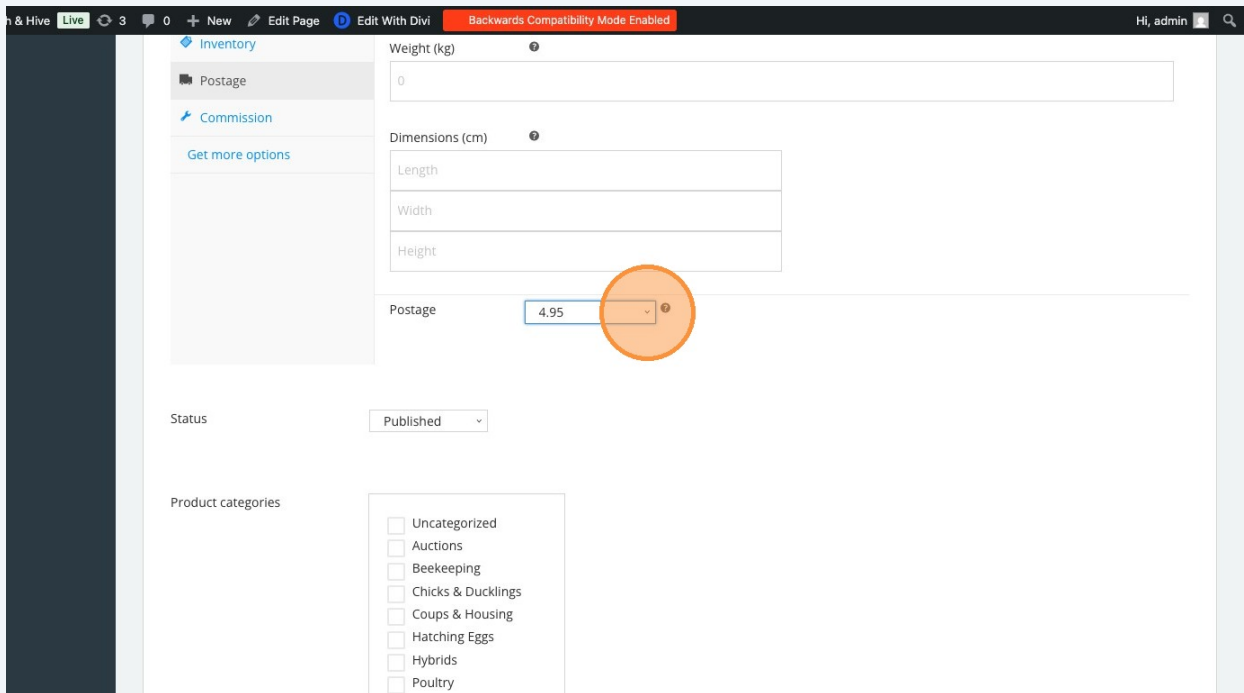

**7** Type "2.99"

## 8 Click "Postage"

The screenshot shows a product editing interface. On the left, a dark sidebar contains a menu with the following items: General, Inventory, Postage, and Commission. The 'Postage' item is highlighted with an orange circle. The main content area is divided into two columns. The left column contains the sidebar menu and a 'Get more options' link. The right column contains the product details form. At the top of the form, there is a dropdown menu set to 'Simple product', followed by checkboxes for 'Virtual' and 'Downloadable'. Below this, there are input fields for 'Regular price (£)' (containing '2.99'), 'Sale price (£)', and 'Schedule'. At the bottom of the form, there is a 'Status' dropdown set to 'Published' and a 'Product categories' section with checkboxes for 'Uncategorized' and 'Auctions'.

## 9 Select your option from the drop down

The screenshot shows the same product editing interface as in step 8, but with the 'Postage' dropdown menu open. The dropdown menu is highlighted with an orange circle and shows a value of '4.95'. The rest of the form is the same as in step 8, including the 'Weight (kg)' field (containing '0'), the 'Dimensions (cm)' section (with fields for Length, Width, and Height), the 'Status' dropdown (set to 'Published'), and the 'Product categories' section (with checkboxes for 'Uncategorized', 'Auctions', 'Beekeeping', 'Chicks & Ducklings', 'Coups & Housing', 'Hatching Eggs', 'Hybrids', and 'Poultry').
